

The 32nd annual Christmas in the Park celebration proudly announces the return of *The Elves' Club*! *The Elves' Club* is an exclusive program that is back by popular demand and is now offering 75 trees. With only a limited number of trees available, community groups in San Jose will need to act fast to be a part of this great opportunity!

Elite members of the Elves' Club will be guaranteed a larger tree along a premier location in the park. In addition, members will be given an official Elves' Club sign that gives recognition to the community group. No waiting involved with the Elves' Club, simply first come, first Elf!

The Sugar Plum Forest is home to more than 300 of the Community and Elves' Club Trees. Located at the south end of the park, more than thousands of visitors will stroll through the winter wonderland of lights to admire the beautifully decorated trees. Let your family, friends, and the community witness your organizations holiday spirit by decorating a tree this year.

For a fee of only \$75.00 your group is on their way to creating memorable and creative ornaments that more than half a million visitors will have a chance to see!

Payment for the Elves' Club tree must be submitted with the application. Application and payment are accepted based on a first come first serve process. All proceeds to benefit Christmas in the Park.

Remember only a limited number of trees will be provided in the Elves' Club, so act sooner than later and save the date! Applicants will be notified by e-mail once their payment has been received. ***Note: This program does not replace the Community Tree Program.**
